To explain further, you have the following options:

1. Student Loan:

For a student loan, the student and parent/guardian can apply for a Student Loan at any registered Financial Institution, ie: a bank. The parent or guardian will sign as surety for the student for the loan amount and pay the interest off over the period of study for the student. Thereafter, when the student becomes employed, he/she can pay the balance of the loan off over up to 5 years.

To qualify for a student loan, the person signing surety for the student must be employed, earning a minimum of R3000.00 monthly, and have a clear credit record. All students and parents need to start application process upon registration with iStudent Academy, and we can assist with this. You can apply for a student loan for the full two years of study!

Students must apply for the Student Loan in November / December prior to the Academic year enrolled for.

2. Cash per year

Cash per year must be settled in full by 1st December prior to the academic year. Alternatively, learners can pay the deposit amount and settle the balance by end January of the Academic year enrolled for.

3. Pay fees off monthly:

Should the payer choose to pay monthly, the relevant programme deposit must be paid to iStudent Academy by the 1st December prior to the Academic year enrolled for. Thereafter, the balance of the agreed monthly price must be paid in equal monthly installments over the academic year.

4. Customized Terms

Should you require customized payment terms, please feel free to contact us for approval. If the fees can be settled sooner than the end of the academic year, then less interest will be incurred. Likewise, should a larger deposit be paid, less interest will be incurred. Please discuss with us privately.

5. Settlement:

This is the best option for those who have saved for tertiary education. There is a discount on settling for the full two years fees as well as fees paid per year in full. Settlement must be paid in full by 1st December prior to the academic year. Alternatively, learners can pay the deposit amount and settle the balance by end January of the Academic year enrolled for.
